Dear Sir,

Frazier Aviation, Inc. (hereinafter referred to as Frazier) is a company registered in the State of California, USA, and conducting business in the City of San Fernando, California.

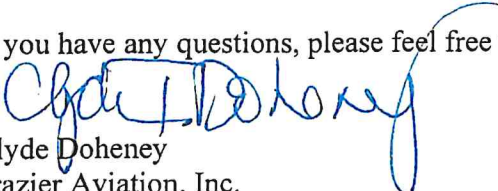

Frazier was formerly an authorized supplier of materials to Lockheed Martin for the Hologram program, providing parts for the C-130 and F-16. We have manufacturing capabilities and also provide MRO services approved by the FAA.

Frazier has approved and authorized NorcaTec, LLC, headquartered at 100 Garden City Plaza, Garden City, New York, 11530 USA, as our Exclusive distributor of our spare parts and for the repair and overhaul of C-130, F-16, and F-5 aircraft operated by the Royal Thai Air Force.

The manufacture, acquisition, overhaul, and repair of such parts will occur at our facility in San Fernando, California, USA.

This agreement remains valid until October 1st, 2027, and is renewable upon mutual written agreement.

If you have any questions, please feel free to contact us.
